### **President's Report**

- The Steering Committee Report was approved as submitted.
- It was agreed that we would pay Jewish Family Services \$200 for meeting space in 2020.
- It was agreed that we would have an fStops Camera Club Zoom account. Lloyd will set it up and be reimbursed by the treasurer.
- Lloyd will check with Joy and with Jhoe to see if they would like to continue in their current roles on the board as secretary and treasurer for another year.
- Lloyd has agreed to continue as president for the next year, with board and club approval. Dan will take over as vice-president with the idea of taking over as president in 2022.
- Other board committees will continue with their current leaders: Membership Linda, Events Sharon, Digital Glyn, and Judging Dan.
- We will continue to meet online for the foreseeable future and will look to a meeting place as the opportunity to meet in person becomes an option.
- Dues for 2021 will remain at \$40 with the cost of Zoom taking the place of rent for meeting space.
- Terry Mendelson has agreed to work on a subgroup for those wishing to share a few images and get feedback from their peers. People could submit a few images and get a couple of minutes feedback from the group. Sharon will help him with this project. Zoom will be used for the meetings. We will see who is interested at the October meeting.
- There was discussion about scoring images in the monthly meetings. Dan will talk with Christopher Broughton, the November/December judge to get his thoughts on this approach for the December meeting. We may also survey the group about their thoughts. It was agreed that we could try this approach in member feedback subgroup.
