- Phishing email sent to Board Members. One individual responded no losses incurred.
- Board member discussion regarding sharing board member meeting minutes with members. Consensus was to continue sharing modified version of minutes via club newsletter.
- Develop agenda/format for the Adobe User Group on July 23rd. Determine what members wish to learn.
- Non-members/visitors cost for event participation will be based on the type of event and availability.
- Fstops will share links and resources with other clubs and request reciprocation.
- Members will be offered educational techniques to supplement the regular meeting. Ideas and concepts will be reviewed and shared with Board Members.
- Details for the editing challenge will be added to the member's newsletter.

Jhoe Abejon Comments and the Budget Report:

Current balance \$6,286.75 excluding expenses required for Photoshop classes.

Bill Debley comments:

Concurs with the development of Zoom training videos to share tutorials from photography experts.

Ron Goodman comments:

Suggested offering an editing challenge to the group. This would allow members to apply the learned skills by editing another photographer's photograph. Challenge will be held in addition to regular meeting/event.

Joy Hillman Comments:

Voted for Shadows and Silhouettes for the July/August submission.

Dan Katz Comments and Judges Report:

Suggested venues other members may/not be interested in attending. The Inglewood Cemetery could provide for social distancing and a great location. Follow-up will be conducted to determine the best date/time to do so. Add tab to main webpage for links and resources to share with other clubs. Nancy Kaye will provide tutorial with photographic examples for the July/August submissions for Windowlight. Member meetings will be recorded for viewing later. The Gerard video is currently available for viewing. September/October judging details will be provided when available. Requested an update on the webpage to indicate new role as Judge Coordinator.

Linda Pagter Comments and Membership Report:

No Membership presentation provided

Sharon Sega Comments and the Photo Events Report:

Member's will be polled to determine if they prefer onsite events/Zoom virtual events or hybrid of both. Vasquez Rocks was presented as a potential photography event location.

Glyn Sun Comments and the Digital Media Report:

Suggested a photography challenge by assigning a location, photograph and share later. This would allow members to shoot when convenient rather than as a group. In support of the editing challenge please forward your Wildlife, Portrait, Street or Landscape photographs in RAW/JPG (both preferred) for upload no later than **July 3, 2020**.

The board meeting adjourned at 8:10 p.m. The next board meeting date is **July 16^h at 7:00pm via Zoom.**
